Municipal Finance Program

Maximize your annual budget.

Smart funding.

Many public agencies are discovering that Municipal Lease/Purchase Financing is today's answer to acquiring essential equipment within limited budget confines – without major cash outlays, long-term debt obligations or, in most cases, voter approval.

How it works.

- Fixed-rate financing helps you get the vehicles you need, when you need them, while sticking to your current budget
- Flexible repayment terms – monthly, quarterly, semiannual and annual
- Finance add-on equipment, upfits and extended warranty plans
- Equity is accumulated with each payment, and ownership is realized with a final payment of \$1

Clear advantages.

- Avoid high costs of maintaining older equipment
- Low-cost, tax-exempt interest rates
- No down payment or security deposit required
- No mileage restrictions
- No maintenance or return provisions

*Based on the assumption that you could purchase Option A for \$250,000 from your annual budget, and you could lease/purchase Option B with a total equipment cost of \$1.1 million at 6.1% APR, resulting in five annual payments of \$246,792.70. This is an example and rates are subject to change. Funding subject to credit approval by Ford Credit. 2013 Police Interceptor available January 2012.
