The Chassis Inventory Finance Plan

The Chassis Inventory Finance Plan provides inventory financing for body companies for the purchase of truck, van chassis and limousine cars and trucks that will be converted or upfit with a specialty body.

Benefits

- // Allows you to use your capital for other operating needs
- // Demo privileges based on creditworthiness
- // Open MSOs allowing you to sell directly to your end-user customers
- // Interest-free financing may be available with Ford Motor Company approval

Terms

- // Standard term is 180 days with interest-only payments
- // Principal payment due on the earlier of the first day of the seventh month from delivery date or when vehicle is sold
- // Extensions available with 10% monthly curtailments
- // Maximum term with approved extensions is 16 months

Eligible Vehicles

All Ford, Lincoln and Mercury vehicles, regardless of gross vehicle weight. Modifications include, but are not limited to:

- // Utility and construction upfits
- // Fire trucks and rescue units
- // Limousines/ funeral coaches
- // School /shuttle buses
- // Other specialty vehicles

Applying for a credit line

Don't have a credit line
with Ford Credit?

To begin, complete a Business Credit Application and a Request for Chassis Financing that can be found at fordcredit.com/comlend. You'll also need to provide:

- // Last two years' independently prepared financial statements and a current interim financial statement
- // Names and addresses of current and previous financing institutions used by your company

Once your credit line is established*, you will be able to purchase vehicles quickly and easily from your Ford or Lincoln Mercury Dealer. Contact them if you have any questions, or visit our website at fordcredit.com/comlend.

*Subject to initial approval, ongoing eligibility and periodic reviews.
Not all customers will qualify. See your dealer for qualifications.
